Enclosure to letter d 22/6/31 from Mr T.G. Rama Iyer to the private Secy to the Dewan G.O. 32-34

General
S

22nd June 1931

My Dear Sir,

During his recent inspections of Mysore City the Dewan desired that the new Veterinary Hospital should be got constructed early. As yet we have only a promise of Rs.10,000/- from Sowcar Dharmaprakasa Mr.D.Banumiah to go upon. If 2 acres of land are required from the compound of the Nanjaraja Bahadur Chattram which is a charitable institution, a land compensation of about Rs.10,000/- would be necessary in addition to a sum of Rs.10,000/- to supplement the donation of Mr.Banumiah for the building. Even if the land be had free a sum of at least Rs.10,000/- would be necessary in addition to the Sowcar's contribution. I do not know if in these days of retrenchment it would be possible to find this sum from the grants of your Department.

However I understand that the scheme for your departmental farm below the Irwin Canal has been sanctioned and I therefore beg to remind you of the proposal to purchase 12,000 tons of activated compost from our Sewage Farm. Even at the modest rate of Rs.4/- per ton, you will be in a position to help the Municipality with resources to the extent of Rs.4 x 12,000 or Rs.48,000/-. This would be a convenient opportunity to reserve about Rs.12,000/- or Rs.15,000/- therefrom for the Veterinary Hospital building and also to ensure a substantial grant of about Rs.6,000 a year for the maintenance charges of the new hospital.

If my proposal for this mutual departmental assistance meets with your kind approval I shall, on hearing from you place the matter before Council and submit their resolutions to Government for sanction in further consultation with you.

Yours sincerely,
Sd.T.G.Rama Iyer

SIR,

In forwarding herewith a copy of the resolution of the Bangalore District Board, dated 29th September 1928, regarding the purchase of a building belonging to Mr. B. Ananthayya at a cost of Rs.2000/- for locating the Veterinary Dispensary at Anekal, I have the honour to state that the building in which the Veterinary Dispensary is at present located, is reported to be very unsuitable for the purpose. The building of Mr. Ananthayya has been approved and recommended by the Superintendent, Civil Veterinary Department, as adequate. I request you to be so good as to obtain sanction of Government for the purchase of this building, the cost being met in equal proportion by the District Board and the Government, as the Municipality plead inability to bear its share.

The Government share of the cost viz., Rs.1000/- may be met out of the Rs.6000/- proposed to be reappropriated in this office letter No.3617 of 27-28, dated 31st December 1928, now before Government for orders.

I have the honour to be,
Sir,
